The following document is a list of donors who supported Marist in our fiscal year July 1, 2014 –June 30, 2015. As a document, it seems simply as a list of names in different formats. In reality, it is a list of caring alumni, parents and friends who made an investment in the future by saying yes to Catholic education and yes to our request to partner with us as we boldly face today's challenges.

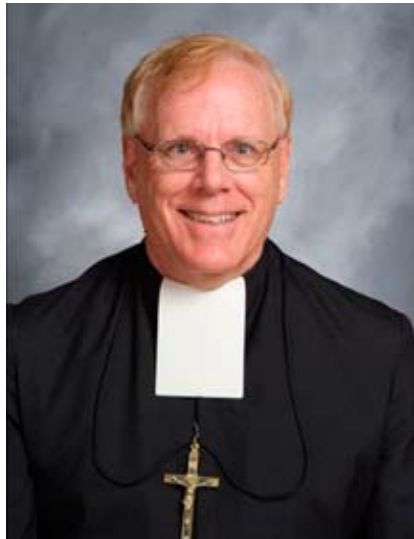

After four decades at Marist, in varying roles, I continue to be humbled by the parents who make such sacrifices to afford a Marist education for their children, the students who work so hard, the faculty and staff whose commitment is so evident and by you, the donors who give so much. Words, acknowledgements, letters do not seem to be enough. But for today, please know that your support is appreciated and needed.

As I finish my first year as President, I am confident that Marist is poised to take on the 21st century with the same vigor and passion that has made us the premier Catholic school on the Southside for the last 52 years. With your continued partnership, we will continue to graduate young men and women dedicated to bringing Saint Marcellin's vision to all ends of the world.

This is more than a list of names.

This is a list of many blessings.

Thank you and God bless you.

The school crest presents the origins and purpose of Marist High School. The Marist M which sits atop the crest is a symbol of the Marist Brothers' Congregation. Crowning the M are 12 stars, symbolic of the Blessed Virgin Mary to whom the congregation is dedicated. Surrounding the design is an outline of the State of Illinois. Running through the crest are the three tributaries of the Chicago River. The star, taken from the flag of the City of Chicago, is situated where the three rivers meet and where the original City of Chicago was located. The Phoenix, symbolic of eternal life, is taken from the shield of the diocese and appears on the left side of the crest. It also symbolizes Chicago rising from the ashes — the second city. On the right are the lamp of learning and a cross, the symbols of Catholic education.

The Marist Mission Statement

The Mission of Marist High School as a Roman Catholic, coed high school, is to make Jesus Christ known and loved in the Marist Brothers' tradition, while preparing students for higher education and life.
