

Dear Marist High school Parent(s):

This letter will introduce you to the Quest Food Management Services that provides the breakfast and lunch services as well as an after school concession stand for your student at Marist High School. We are sending this information home to explain the benefits of this program as well as the payment options that are available to you. We would like to invite you to take advantage of the prepaid lunch process called The Quest Debit Program, which is available to all of the students by simply using their Student ID to access the program.

The Quest Debit program will assist in speeding up the lunch lines and allow the parent(s) to see what the student(s) is purchasing. The program is intended to be a convenience for the parent(s) as well as the student. You can enroll the student for any amount. We have a suggested starting amount of \$250.00. You can utilize our online option at [www.mymealtime.com](http://www.mymealtime.com). For a small fee, you make a deposit directly into the student(s) account. Enclosed you will find your students passcode and the instructions on how to enroll in MealTime Online. Another way of enrolling into this program, without a fee, is by filling out and returning the form at the bottom of this letter along with a check made payable to **Quest Food Management**. Your student may also use cash to make purchases.

At the end of the year, your student's accounts will rollover to the next school year. Any senior balance may be transferred to a sibling. Any student who would like to cash out their unused balance will be charged a \$20.00 service fee. A \$30.00 service fee will be charged for any checks returned to us for non-sufficient funds.

Marist students are required to use their student ID card for each purchase. Incoming freshman will receive their student ID at Freshman Orientation. The student's ID card **doubles** as an ID as well as their debit card for the lunch program. Please inform your student that if he/she loses their ID, the cafeteria manager must be told immediately so that the card can be stopped.

Quest believes that quality with a homemade touch is important. Marist students have enjoyed a choice of many fresh made items on a daily basis, such as salads, fresh fruit salad, sandwiches and wraps along with homemade soup. We cook with Tran's fat free oil and have added whole grain items to our menu. We also have a food advisory committee that has given us valuable input about our menu. The committee has helped Quest introduce a variety of new healthy choices to the cafeteria menu. One of the items that were changed by the committee's input was a choice of soup or salad with the special of the day instead of fries. Quest encourages an open door policy with the students, parents and staff at Marist. We are always open to suggestions. Customer service is our business!!

We know you will find our Quest Debit Program beneficial and look forward to serving your son or daughter during the 2011/2012 school year. If you have any questions or concerns, please call Kristen Sutkus, Cafeteria Manager, at 773-881-5308.

Sincerely,  
Quest Food Management Services

Please make your check payable to and mail deposits to:  
**QUEST FOOD MANAGEMENT** c/o Marist High School 4200 West 115<sup>th</sup> Street Chicago, Illinois 60655
