

Marist High School
Office of Student Services
Student Parking

March 10, 2023

Dear Parents/Guardians:

Parking spaces for the 2023-24 school year are assigned based on year level, with seniors receiving first priority. Any senior who applies for a parking permit, follows the procedures below and meets the appropriate deadlines should receive a parking space. Juniors will receive second priority, and sophomores will receive last priority. The cost for the 2023-24 school year will be \$275.00. **Payment MUST BE submitted with this application.**

The following procedures **MUST BE** followed in order to apply for a parking space:

1. Please submit the parking application and payment (to Marist High School) by **Wednesday, April 5th**. The application and check should be dropped off in the box outside of Mrs. O'Neill's office (next to Champagnat Square).
2. A parking list will be posted outside Mrs. O'Neill's office by Monday, May 22nd.
3. Students will be notified this summer of the **hangtag pick-up date** in August.

There is no guarantee that every student who applies for a parking space will receive one. It is highly recommended that juniors consider carpooling in order to increase their odds of receiving a parking space. **Priority is given to students who carpool.** Keep in mind that students who sign up for **more than one** carpool will invalidate their application.

If you do not receive a parking space in the Marist High School Main Parking Lot and would be interested a parking space in the Worth Township Remote Parking Lot for the 2023-24 school year, please check the appropriate box on the application. You also need to attach a second check for \$130.00 for the Remote Parking Lot in addition to the check for the Main Parking Lot for \$275.00 (one of the checks will be returned).

If you have any questions, please contact me via email at oneill.beth@marist.net or by phone at 773.881.5320.

Sincerely,

Beth O'Neill
Director of Student Services
