

MARIST MATH PROGRAM

Grade/Middle School Endorsement

Marist High school has invited _____ to participate
Student Name

in the **Marist Math** program for the 2023-2024 school year. Here are some important facts about the *Marist Math* program:

- *Marist Math* is a course suitable for exceptional eighth grade math students who are academically prepared for a high school math course.
- *Marist Math* students will attend class daily from 6:55 a.m. – 7:40 a.m. starting on September 5, 2023.
- Transportation to and from Marist High School for *Marist Math* is the responsibility of the students and their families.
- A student's academic progress in the *Marist Math* program will be communicated to parents and grade/middle schools through progress reports and report cards.
- Students accepted into the *Marist Math* program must have an endorsement of participation from their grade/middle school.

In addition, Marist High School has a long tradition of providing a rigorous curriculum to students of the Southwest Side, combined with a dynamic student/teacher rapport. Our math program is reflective of that tradition and we are happy to share part of that experience with eighth graders from the community.

If you have any questions about *Marist Math*, please contact Cherise Roberts, Assistant to the Academic Deans at roberts.cherise@marist.net. Your signature below indicates that you have been informed that the above-named student has been invited to participate in the *Marist Math* program.
