in the **Marist Math** program for the 2021-2022 school year. Here are some important facts about the *Marist Math* program:

- **Due to Covid-19, circumstances may change.**
- *Marist Math* is a course suitable for exceptional eighth grade math students who are academically prepared for a high school math course.
- *Marist Math* students will attend class daily from 6:55 a.m. – 7:40 a.m. starting on September 7, 2021.
- Transportation to and from Marist High School for *Marist Math* is the responsibility of the students and their families.
- A student's academic progress in the *Marist Math* program will be communicated to parents and grade schools through progress reports and report cards.
- Students accepted into the *Marist Math* program must have an endorsement of participation from their grammar school.

In addition, Marist High School has a long tradition of providing a rigorous curriculum to students of the Southwest Side, combined with a dynamic student/teacher rapport. Our math program is reflective of that tradition and we are happy to share part of that experience with eighth graders from the community.
