

Marist High School  
Office of the Dean of Students

May 1, 2020

Dear Parents/Guardians:

Parking spaces are assigned to students based on year level. All seniors who apply for a parking space will receive a spot. Juniors will receive second priority, and sophomores will receive last priority. The cost to park at Marist for the 2020-21 school year will be \$240.00.

1. Please MAIL the parking application and payment to Marist High School by Friday, May 22<sup>nd</sup>, 2020, to the attention of Dean O'Neill.
2. You can write a check for EACH parking lot in case you do not get a Main Lot parking space (ie. \$240 check for the Main Lot AND a \$120 check for the off-site parking lot).
3. You will receive an email prior to July 15<sup>th</sup> regarding your parking status.
4. We will post notification of the August hangtag pick-up date on the website.

There is no guarantee that every student who applies for parking will receive a space. It is always recommended that juniors carpool to increase their odds of getting a parking space. Please do not sign up for more than one carpool.

During the 2019-20 school year, there were limited off campus parking spaces available in the Worth Township lot at 116<sup>th</sup> and Springfield for a reduced fee. We are hopeful that the off-site lot will be an option for the 2020-21 school year. If you are interested in this option, please check the appropriate box on the form.

Sincerely,

Beth O'Neill  
Dean of Upperclassmen
