

**Marist High School
Office of the Dean of Students**

May 6, 2022

Dear Parents/Guardians:

Parking spaces are assigned to students based on year level. All seniors who apply for a parking space by the deadline will receive a spot. Juniors will receive second priority and sophomores will receive last priority. The cost to park at Marist for the 2022-2023 school year will be **\$275.00**.

1. Please submit the parking application and payment to Marist High School by **Monday, May 23, 2022**. The form should be **dropped off at the Dean's Office** located across from the cafeteria.
2. You can write a check for EACH parking lot in case you do not get a Main Lot parking space. (i.e. **\$275** check for the Main Lot AND a **\$130** check for the off-site parking lot).
3. You will receive an email prior to July 15th if we are unable to fulfill your application.
4. We will post notification of the August hangtag pick-up information on the website.

There is no guarantee that every student who applies for parking will receive a space. It is always recommended that Juniors carpool to increase their chances of getting a parking space. **Please do not sign up for more than one carpool.**

Note: To be considered for a parking space, you must be in good standing with the Deans' Office in regards to academics, attendance and discipline. Parking on campus or at the remote facility is a privilege.

Sincerely,

Dean of Upperclassmen
