June 2025

*Happy June, Alumni
We love our Dads and Grads!*

Thank God for our fathers and the examples they set along the way. No matter if they are still with us, or watch as our Guardian angels- the love and example of our fathers is one of life's greatest gifts. Congrats to the class of 2025. We are proud of you!

We found a fabulous flashback to 1975 in the archives: "THE ALUMNI MARIST NEWS" from October of that year. Typed, stained and filled with nostalgia, it's a glimpse at all that has changed from home phone numbers (no area codes needed- just 312!) and days when Mom's had more time for Boutiques, handmade items and homemade goodies. Maybe your Mom is listed here, or you remember these papers on your kitchen table, it can't help but take you back! Good typing though-maybe it predates white out!!!!

*The feast day of Saint Marcellin Champagnat is celebrated on June 6th.
I give thanks for Marcellin and the first Brothers and all those Brothers and Lay Marists who have followed them in the effort to make Jesus Christ known and loved.
I give thanks for my own call to be Marist. May I continue to live my life in this Marist spirit so that others will want to follow me.*
